BREAST BONDAGE

At first Kitty thought it must be a joke her husband was playing on her . . . the capture, the jail, the threats of punishment for her naughty ways . . . then she met Matthew Cole. He was not a joke. He was dead serious.

He said he was hired to punish the parts of her that had been bad. She cried knowing exactly what parts he would punish!

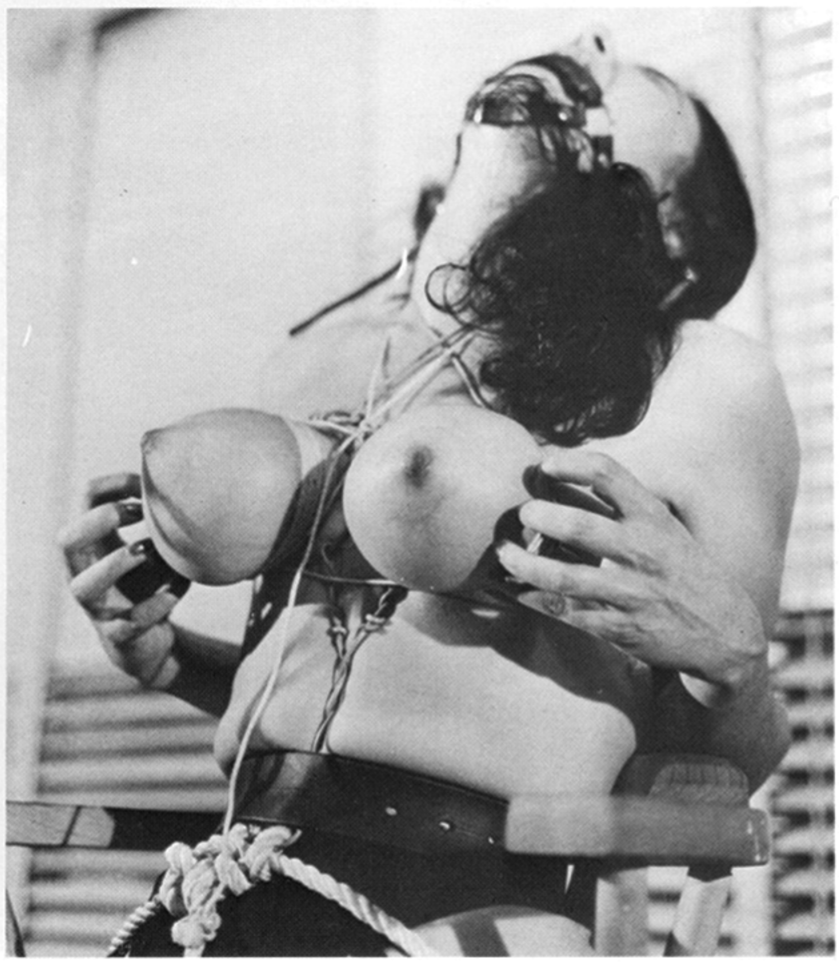

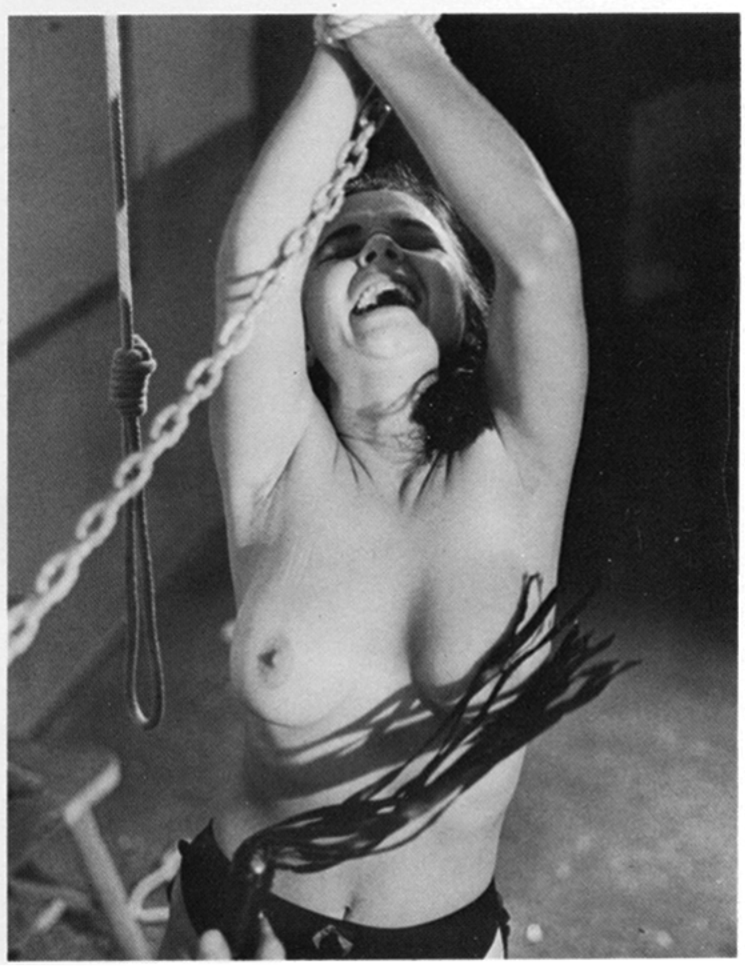

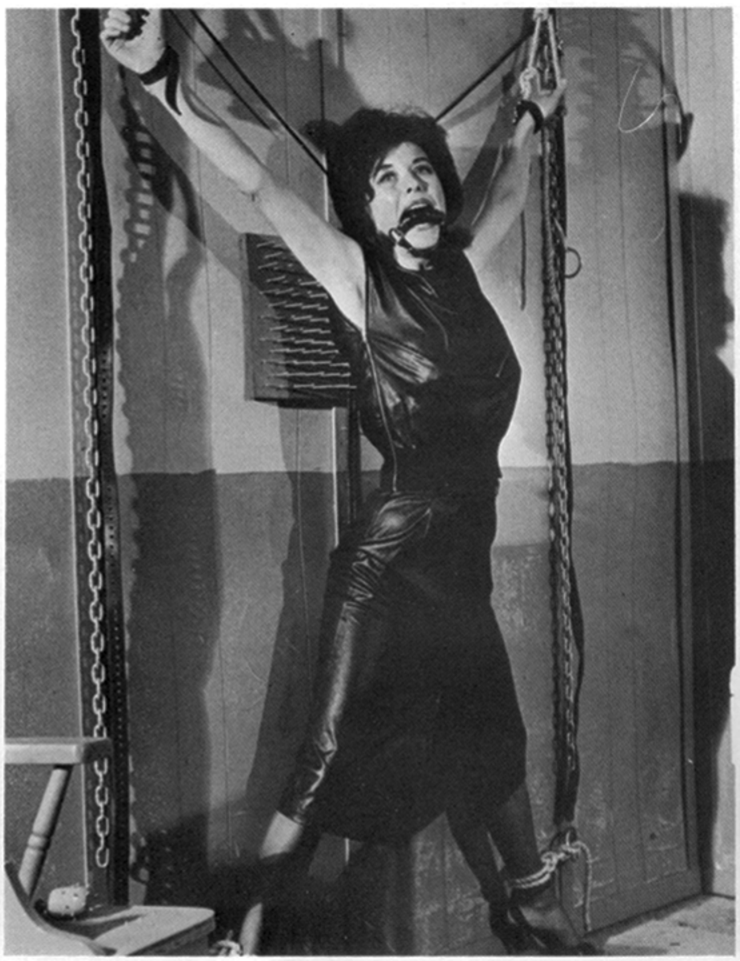

PAIN AND PLEASURE

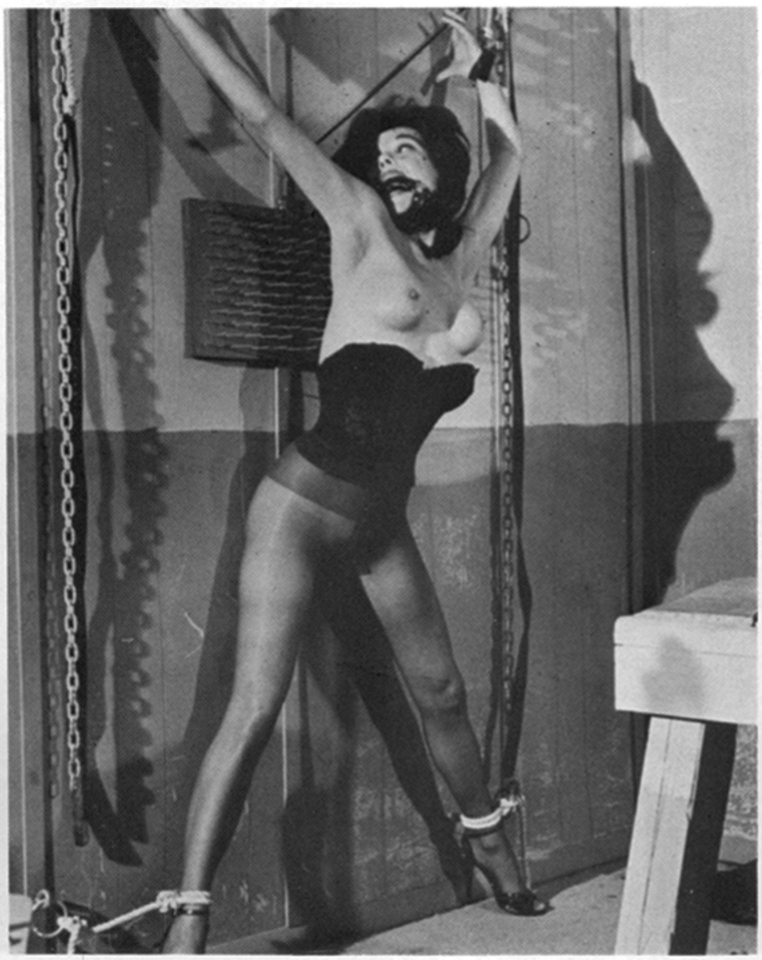

Cindy tried to escape. She knew all about Matthew Cole from her last visit. She remembered his whip and the pain and the humiliation of him tearing her blouse open.

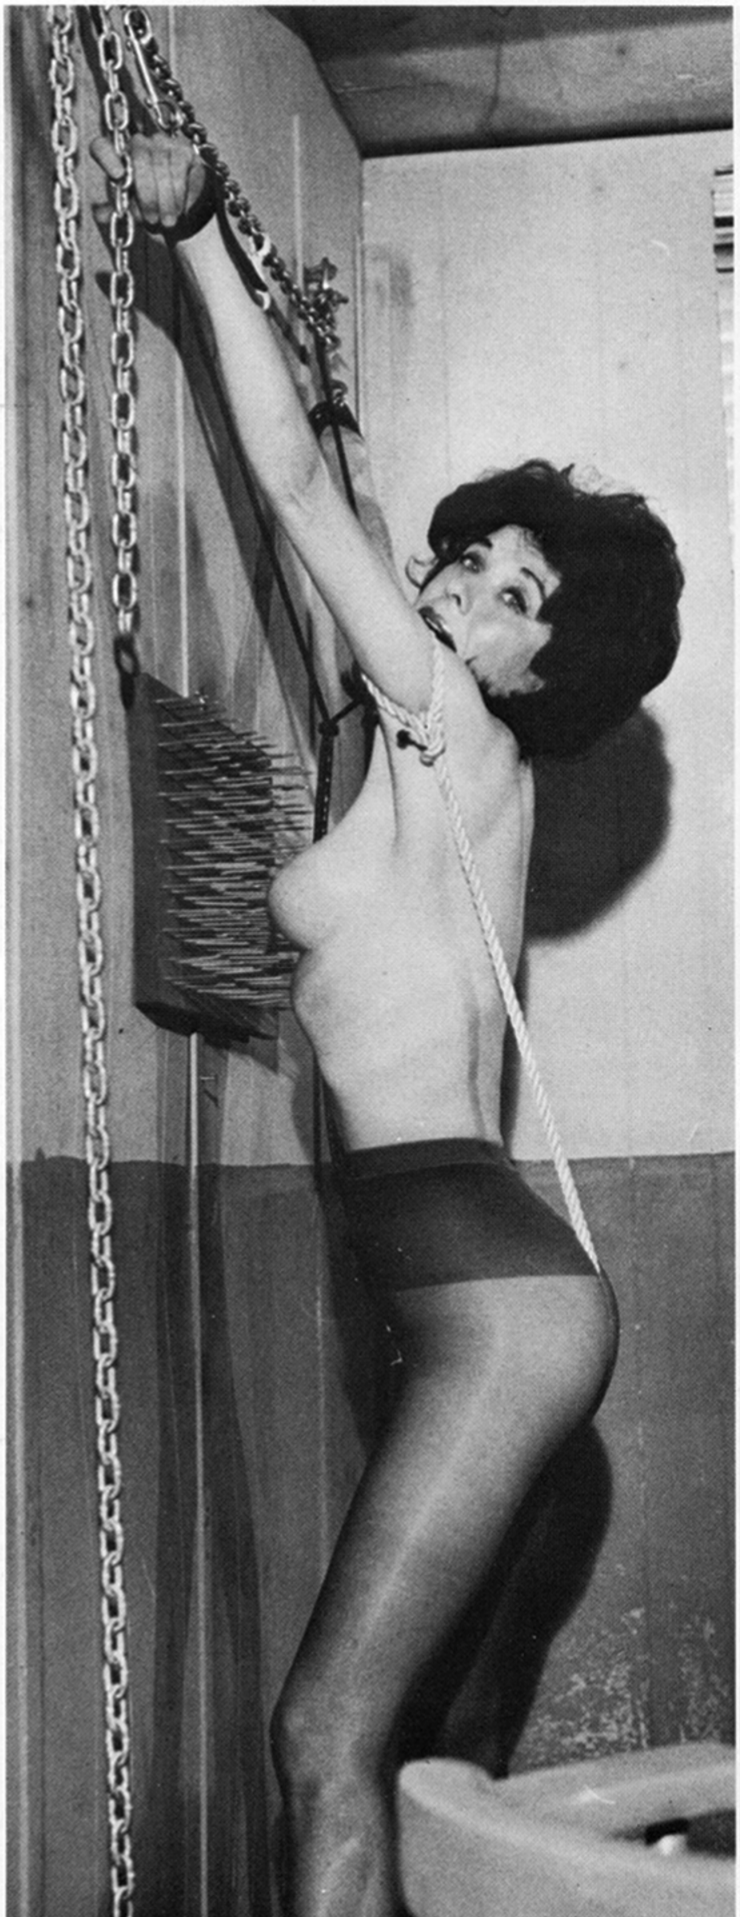

If only she would have been good and not sent back . . .! She couldn't bare to think of what would happen next.

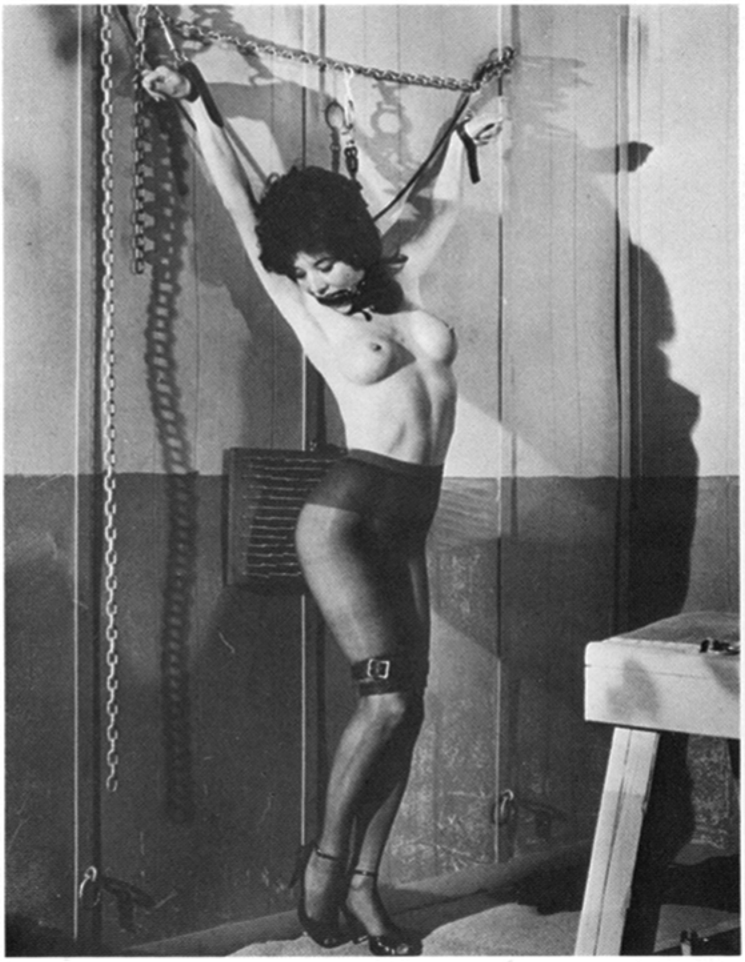

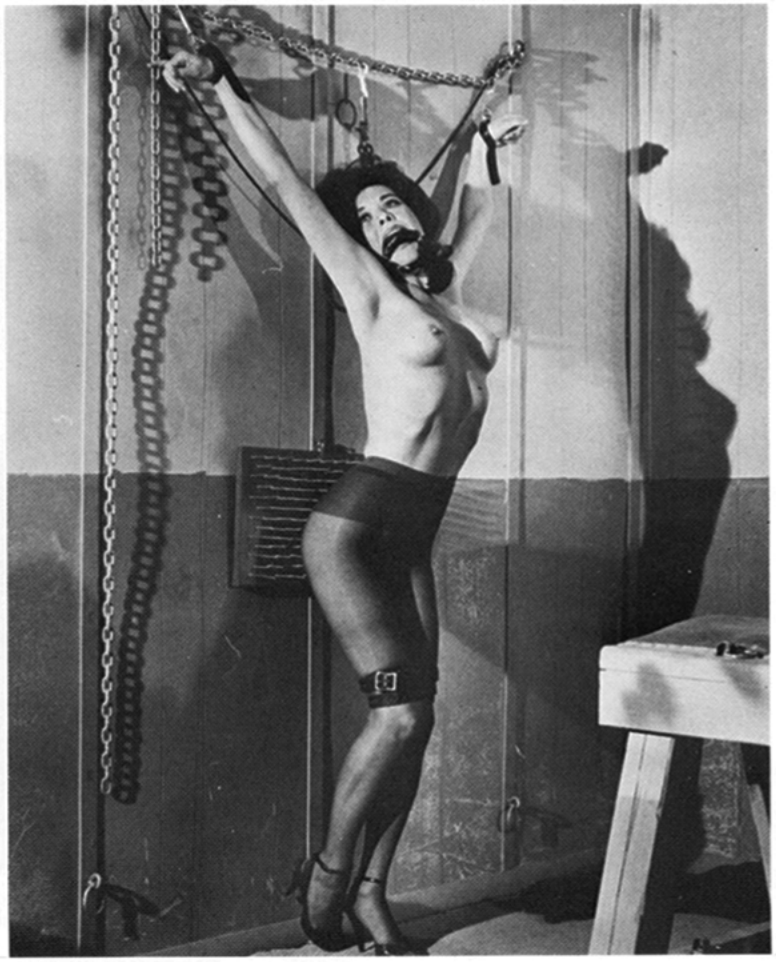

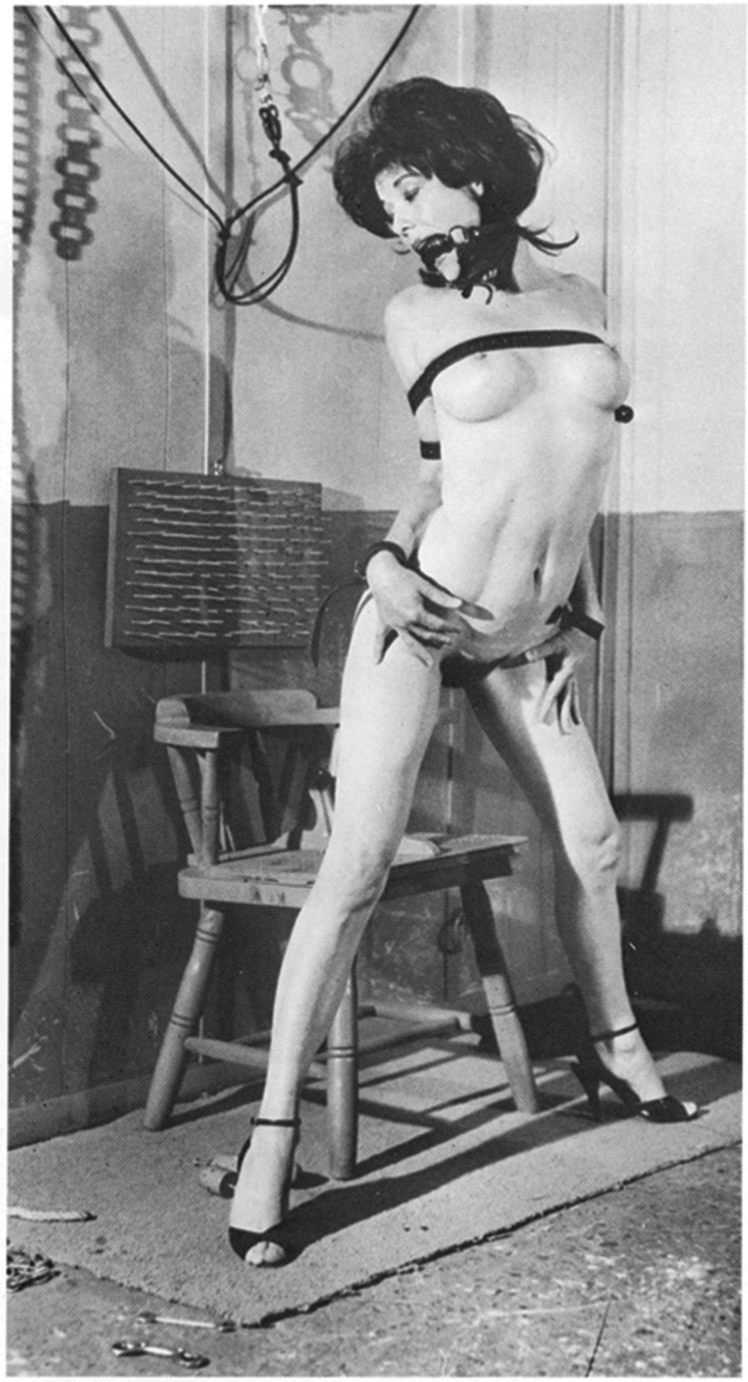

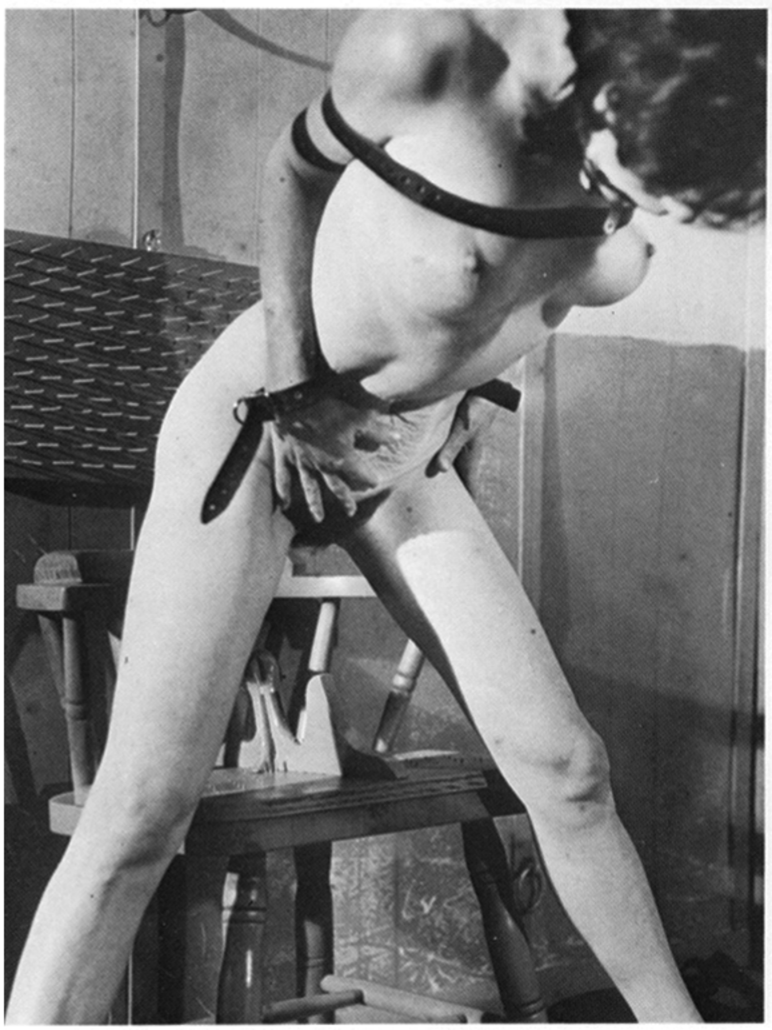

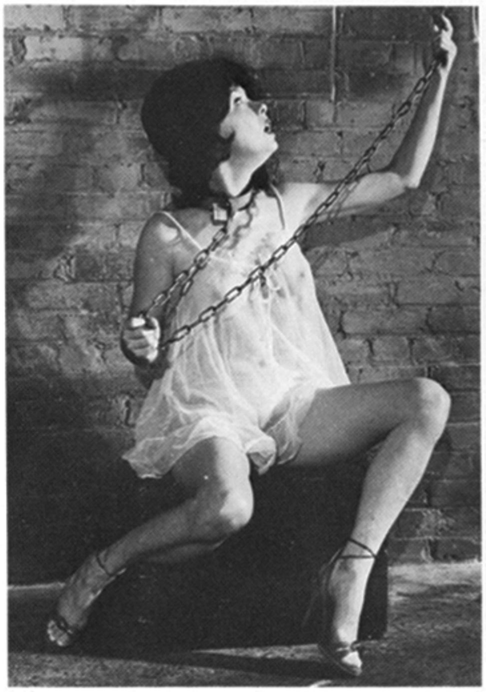

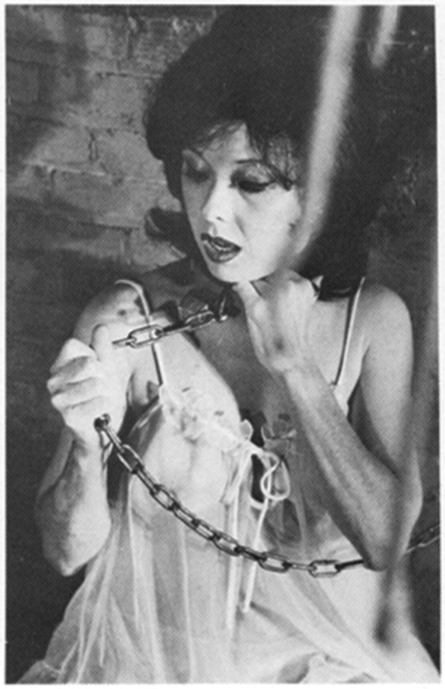

PUNISHED PUSSY

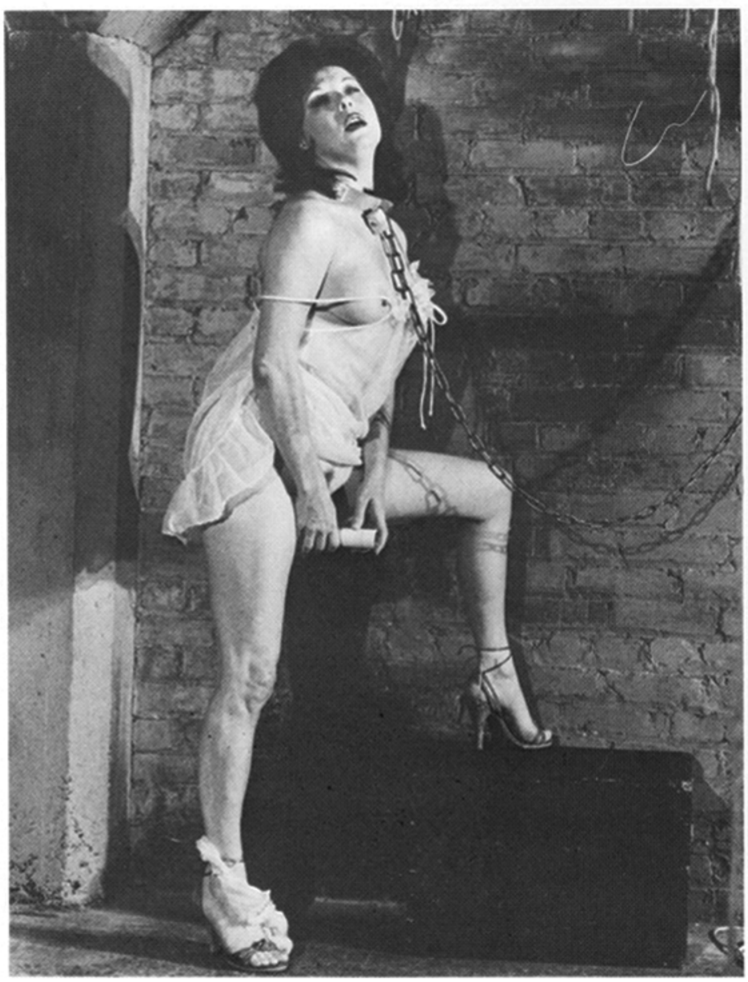

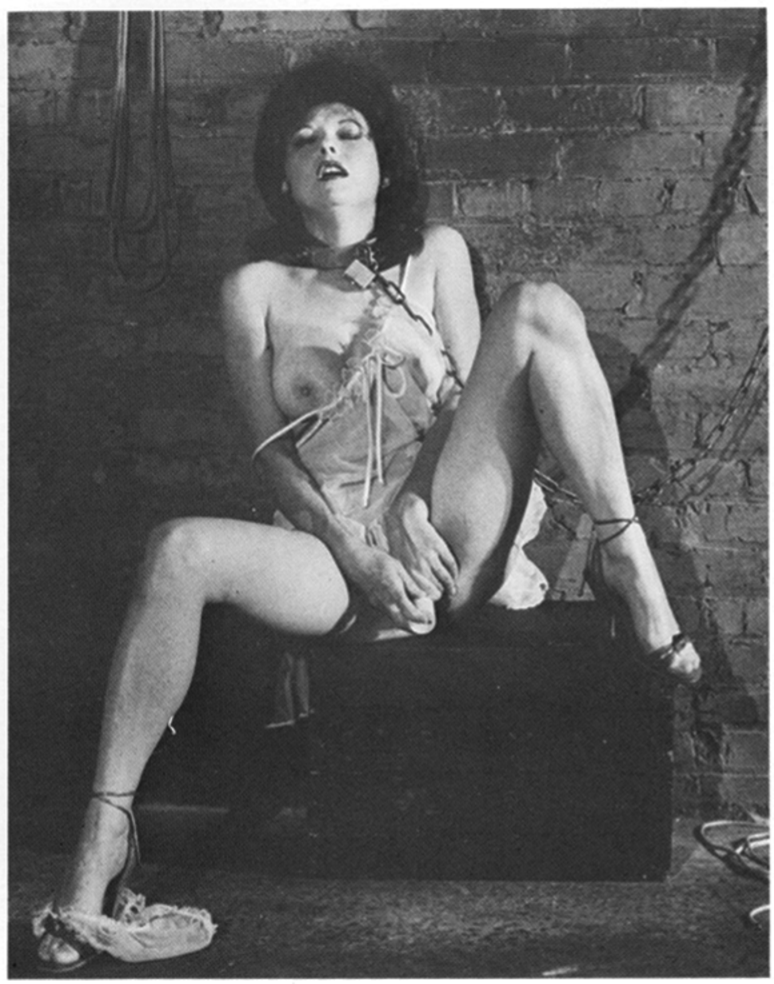

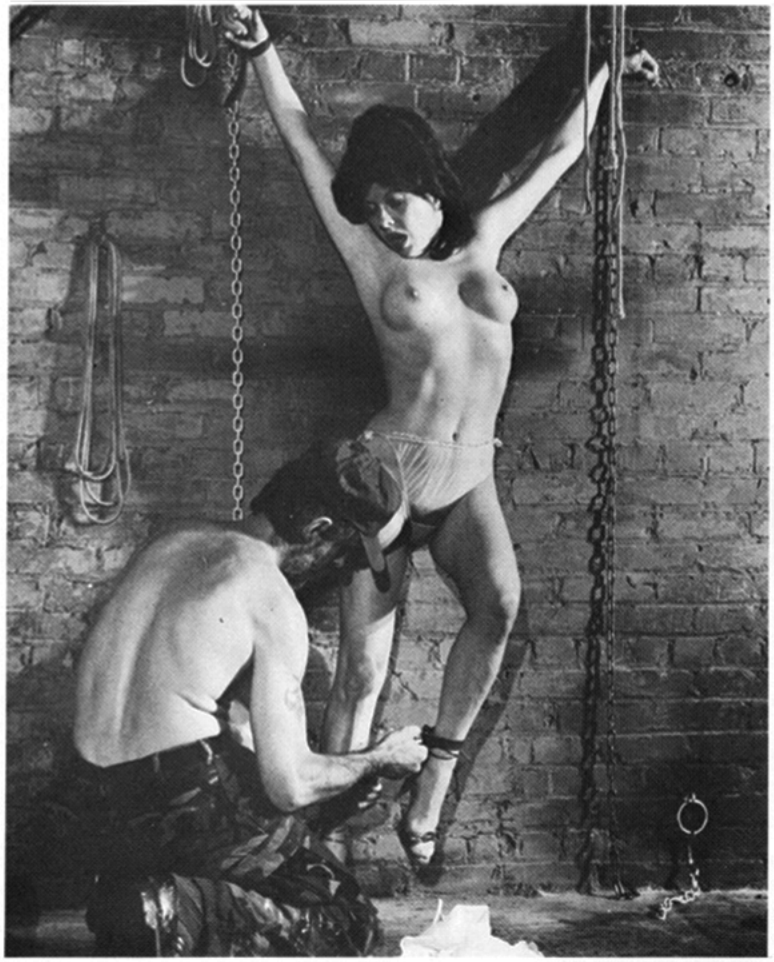

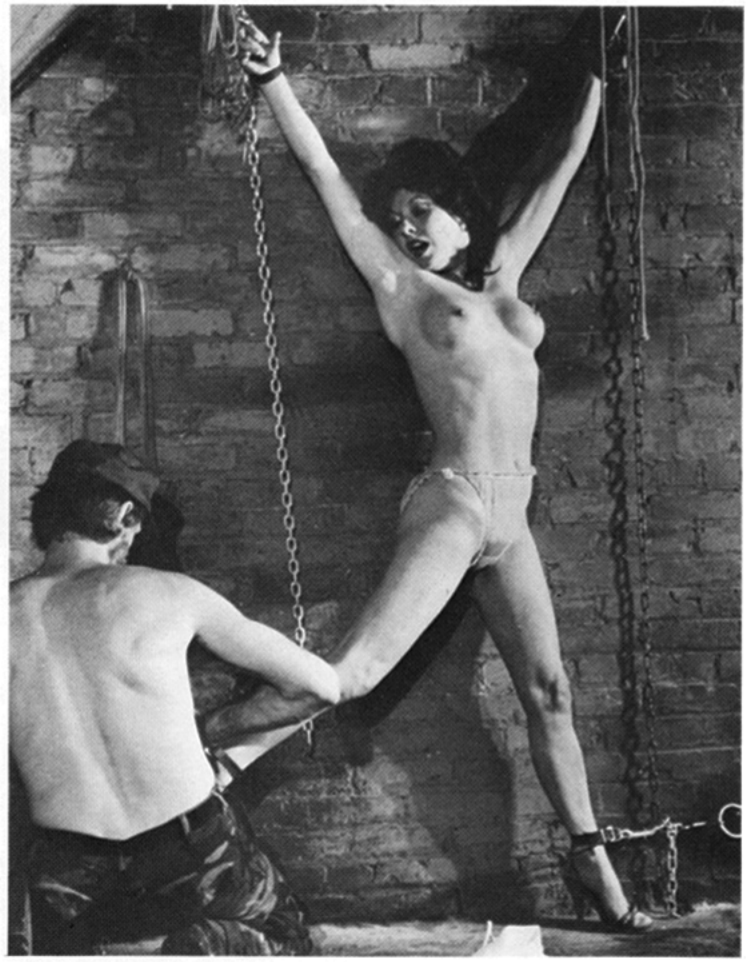

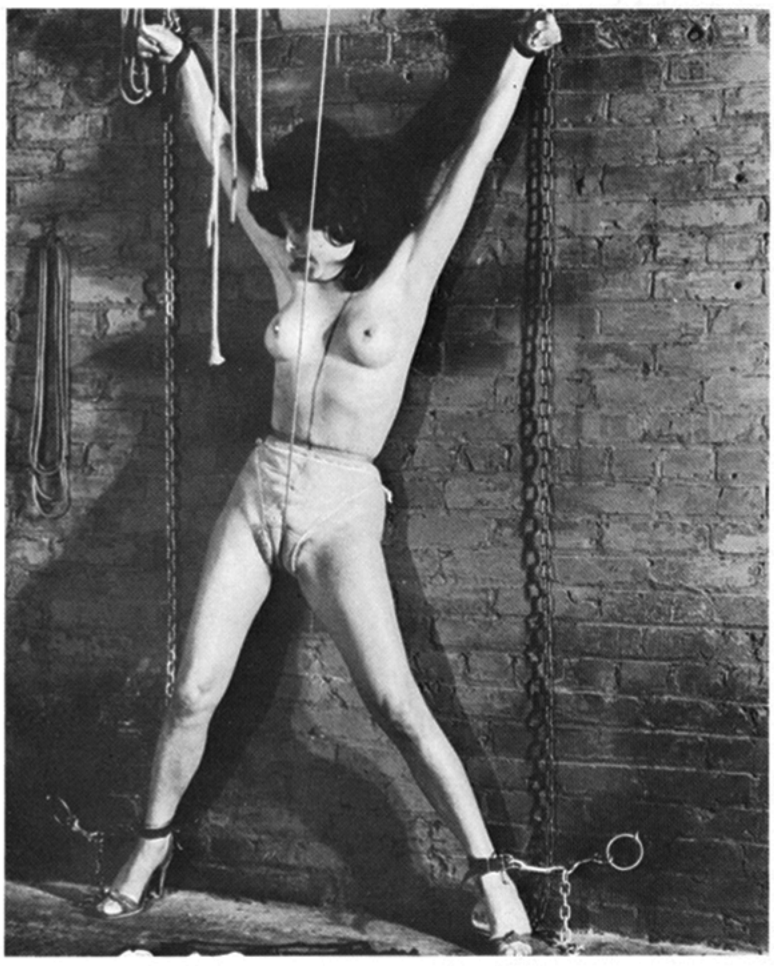

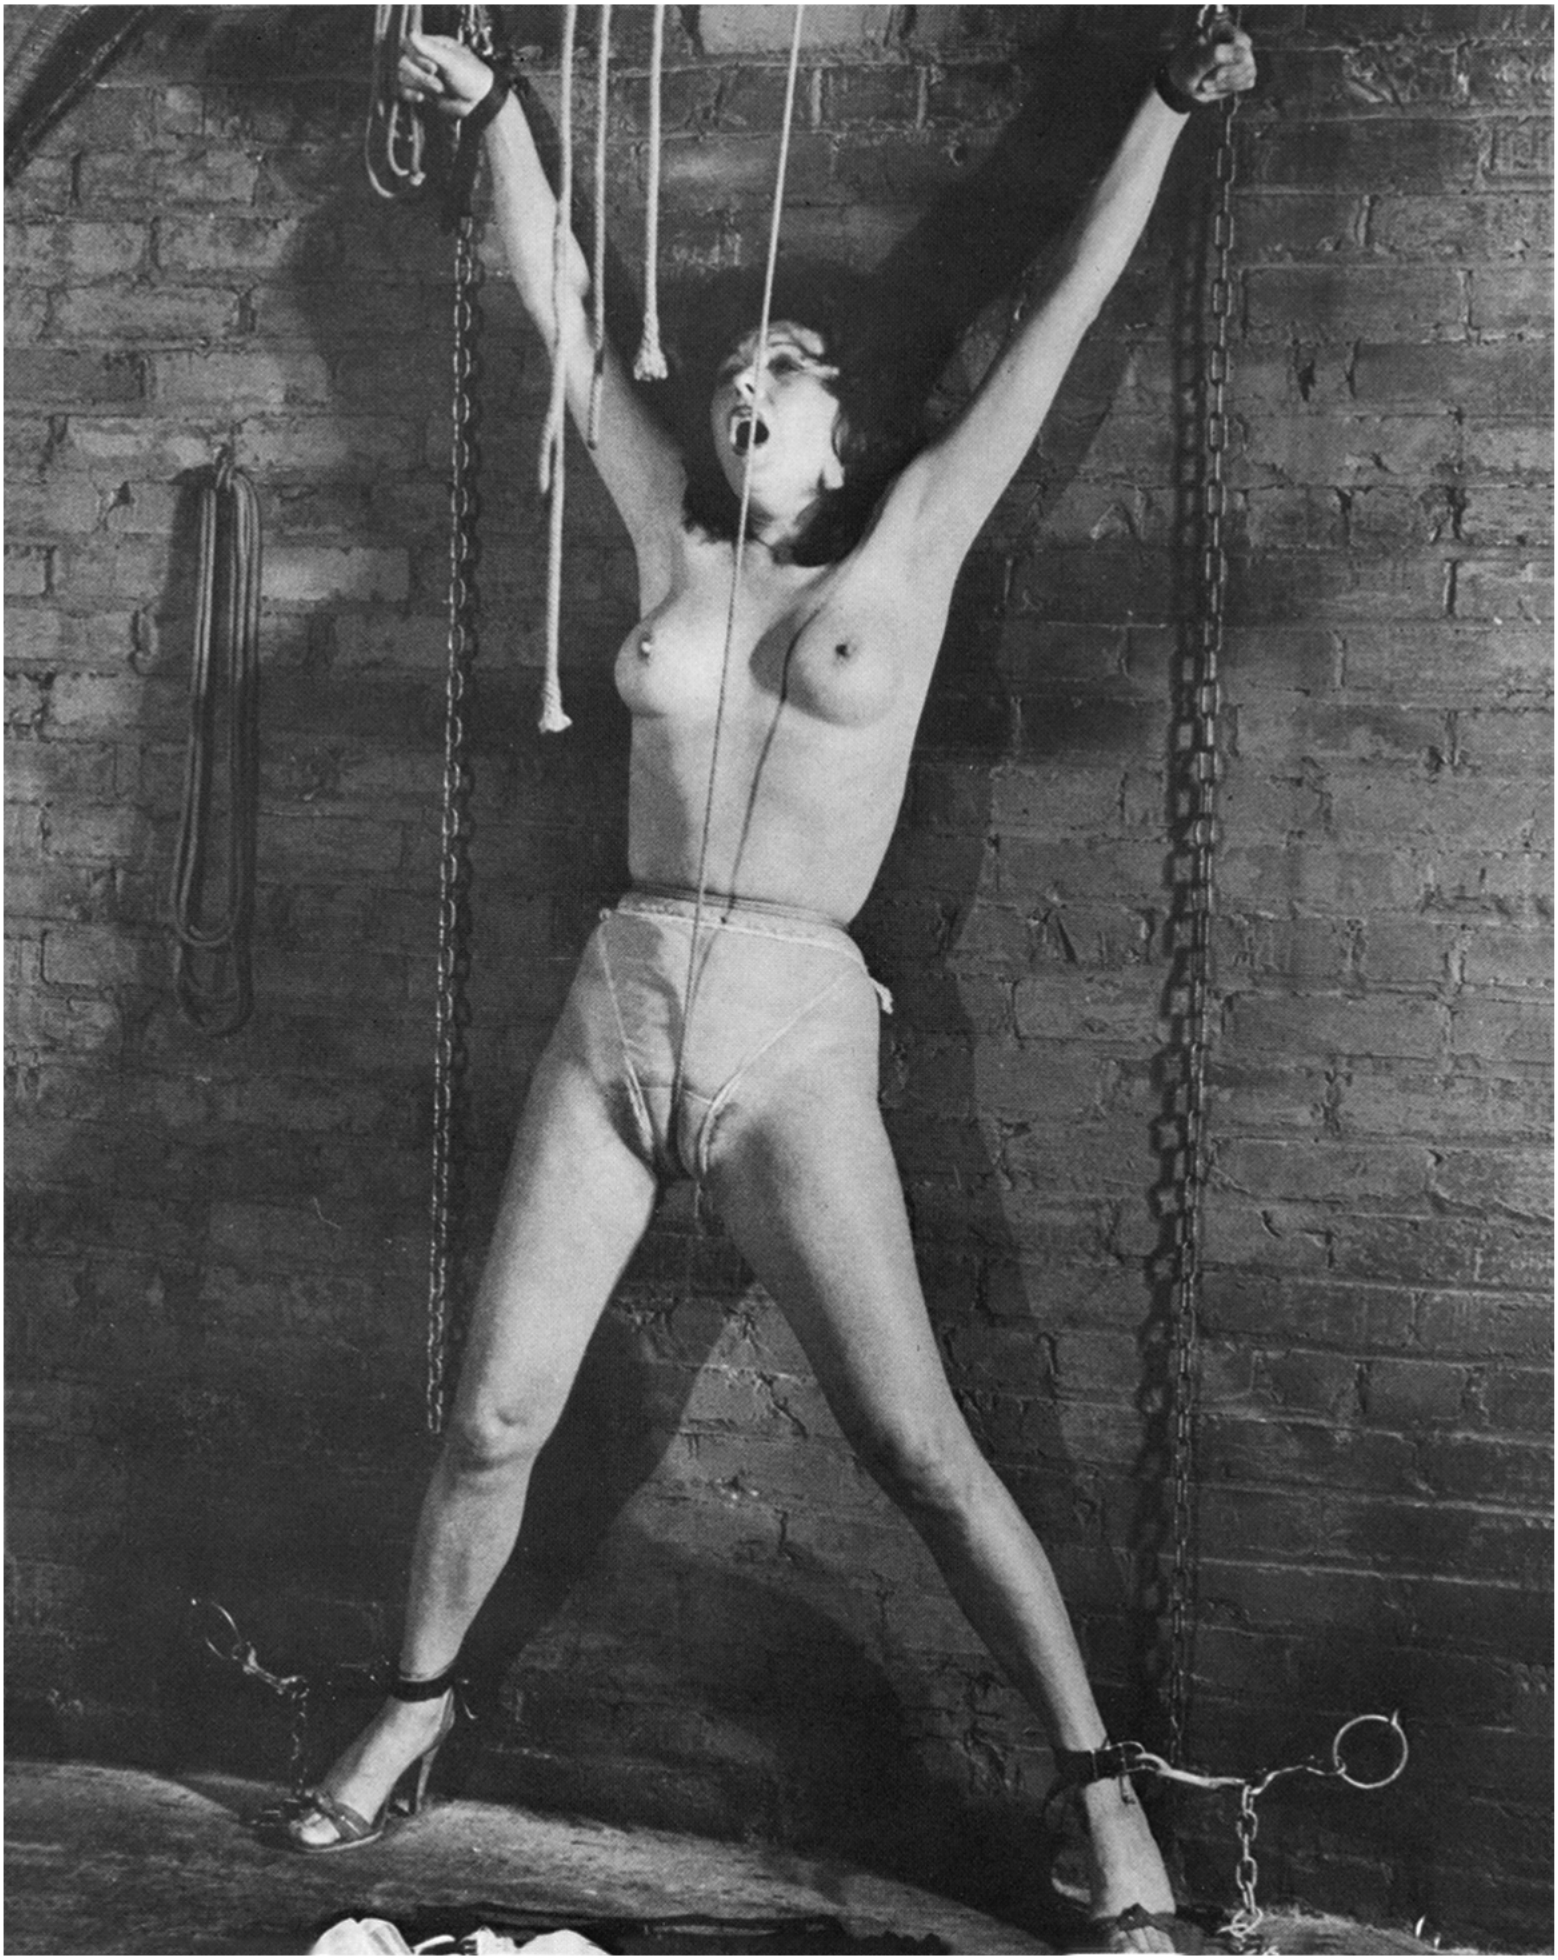

Cindy faced day six in the same manner she faced the previous five days . . . terrified at what the next moment would bring. She examined the chain that had been her constant companion for the last three hours. Nothing helped! It was implacable. Everything was!

If only he would let her go she knew that she would be good this time. Then she remembered that she said that before, the last time she was here and he tormented and tortured her. Soon she would be tested to see if she could resist. She thought she might be able to. . . !

BOUND, HOT LESBIANS

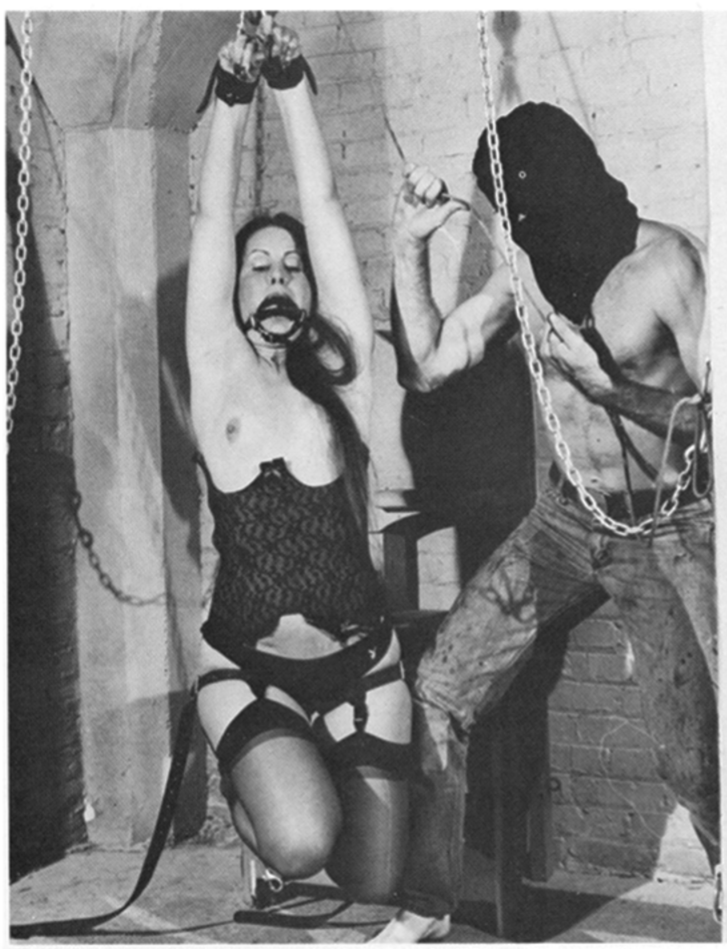

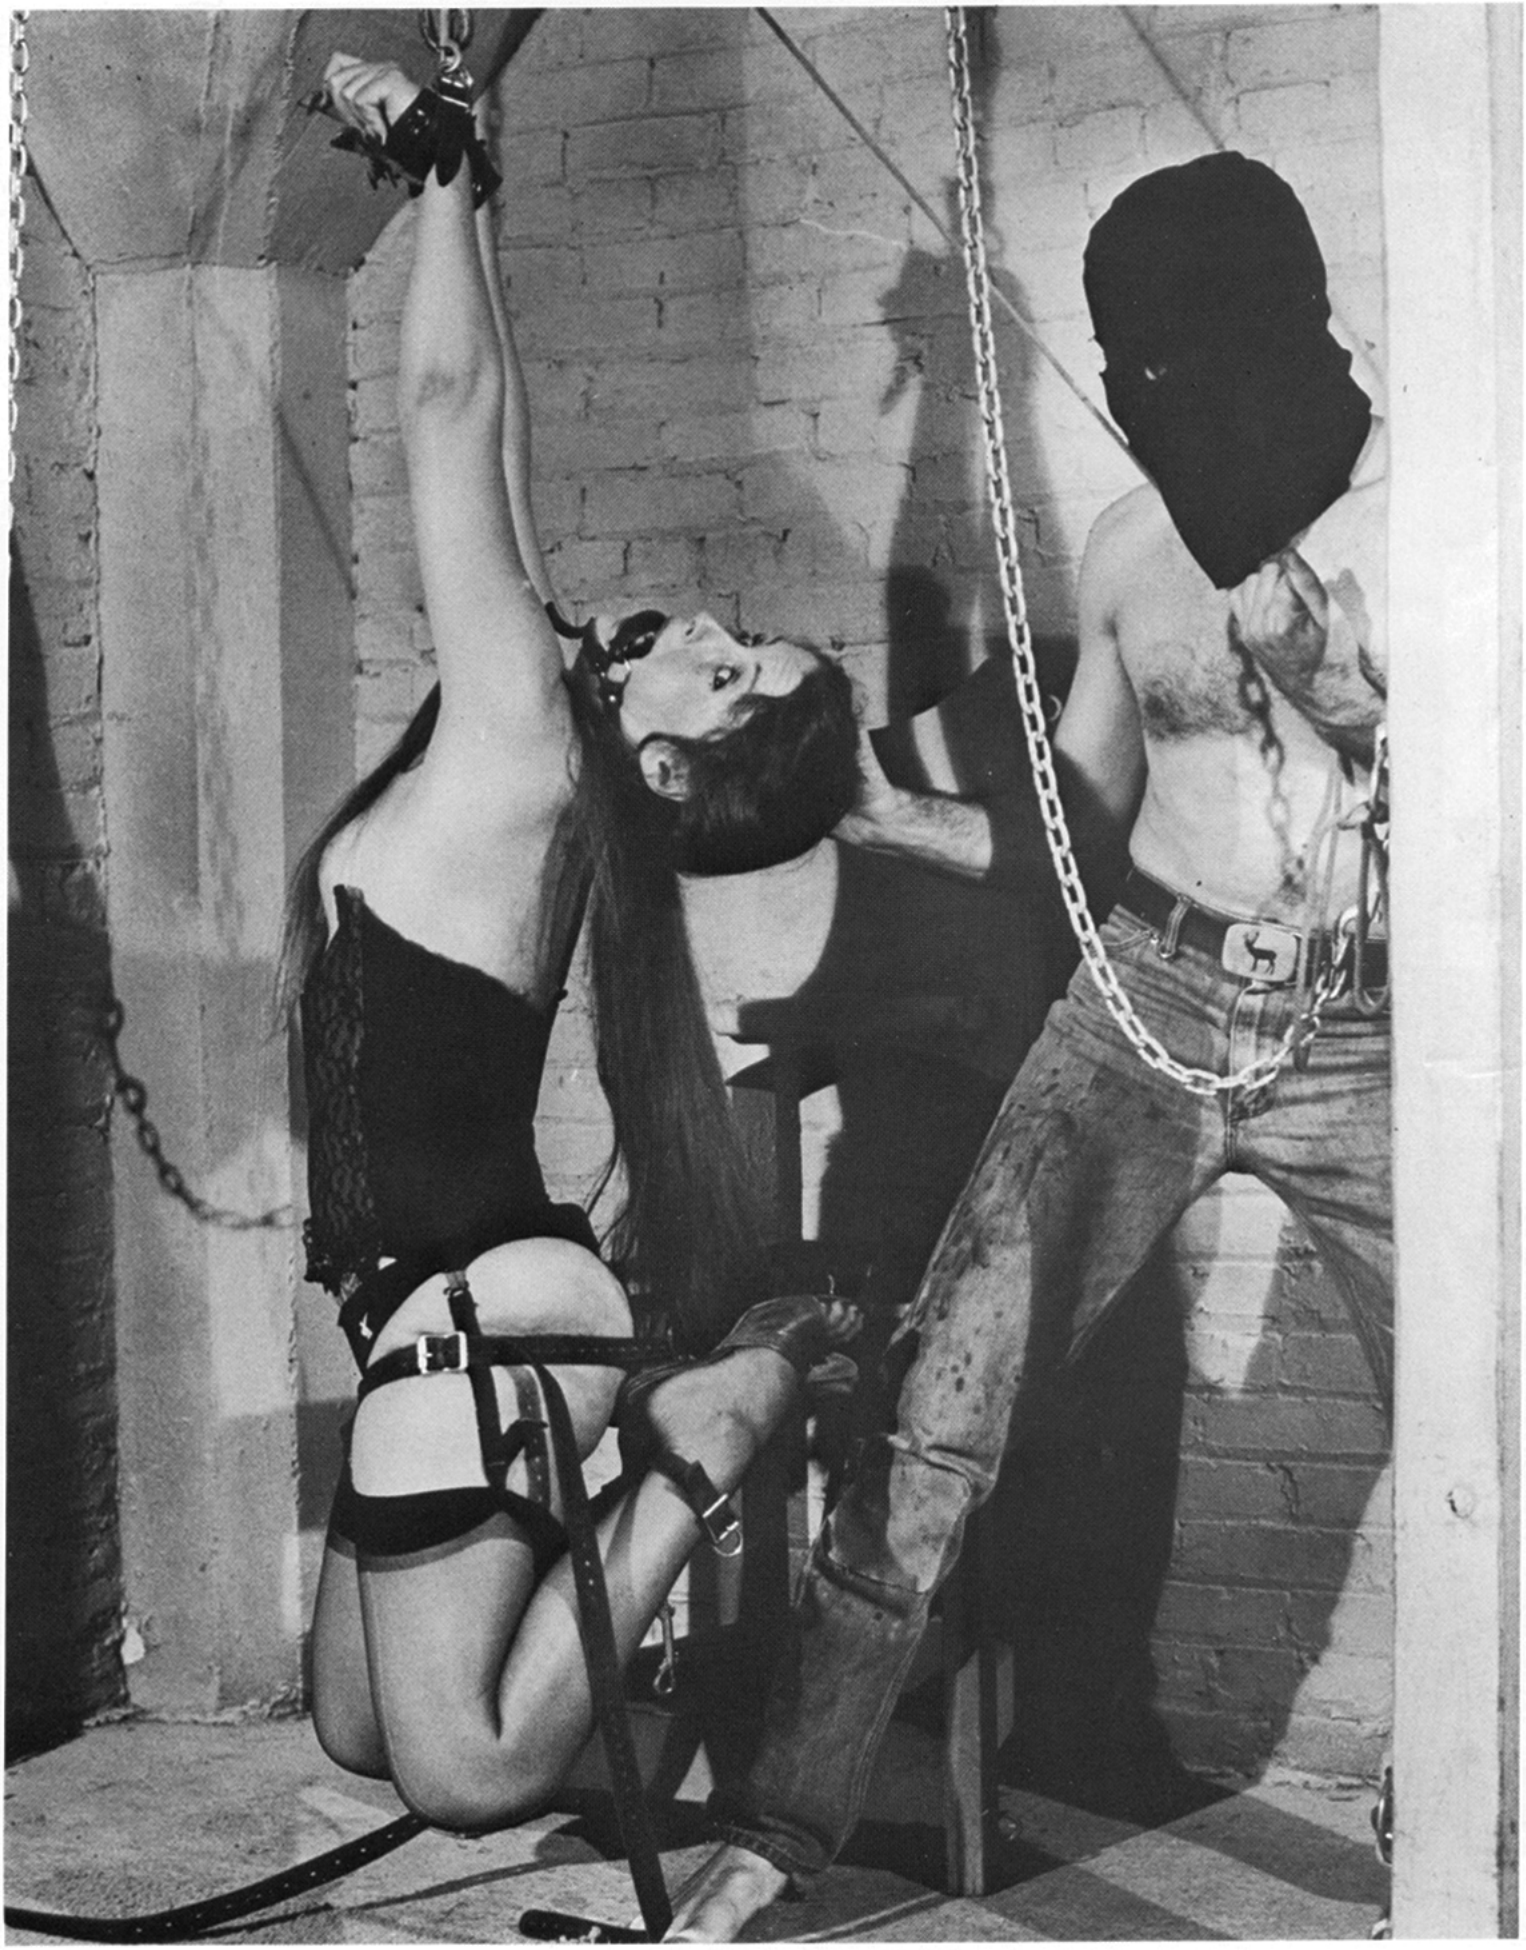

Laura bit down on her gag and held her breath as he started hoisting her into the air. She knew that it was going to hurt . . . everything that he did hurt. She thought about Linda, pretty Linda, and hoped that he wouldn't hurt her as badly. She knew that they wanted the two girls to love each other less and she wondered if that was even possible.

His whip lashed out and cut into her naked flesh and she cried in agony into her gag.
